WHAT SETS US APART FROM TRAVEL INSURANCE,
HEALTH INSURANCE, OR ASSISTANCE SERVICES LIKE
CREDIT CARDS?

SkyMed *TAKES YOU HOME!*

“BY THE CHOICE
OF THE MEMBER....REGARDLESS
OF MEDICAL NECESSITY.”

LOOK FOR A “CLAUSE” CONSISTENT IN NEARLY EVERY INSURANCE OR ASSISTANCE PROGRAM

Most insurance and assistance plans get you to the “*nearest appropriate medical facility*”

SKYMED GIVES YOU A CHOICE

- The American healthcare delivery is not going to get any less costly.
- Your best plan before dealing with accidental or unplanned hospitalization... Is how to quickly & safely get home!
- Financially vital to most Canadians and almost all Americans!

Think of SkyMed “*TAKES YOU HOME*” as an out of network life raft for you and your family

It's best not left on the shore...

THE BEST SERVICES FOR YOUR LIFESTYLE

Our flagship service “***TAKES YOU HOME***”

“Medically equipped & staffed fixed wing

TAKES YOU HOME Travel Plans

Services 1 thru 10 – Short Term Plan

Services 1 thru 12 – Annual Plan

Services 1 thru 18 – ULTIMATE Plan

Your SkyMed ULTIMATE membership includes these 18 services

- 1. Hospital-to-Hospital Emergency Air Transport**
SkyMed will arrange and pay for medically equipped air ambulance transportation by fixed-wing aircraft, to the hospital nearest their US or Canadian home. Ground ambulance to and from each hospital is included.
- 2. Vehicle & Vessel Return**
SkyMed will pay professional drivers for over-land, safe return of operable vehicles (autos, RVs, tow vehicles, trucks) that have been left unattended as a result of a member's critical illness or injury. For vessel return SkyMed will provide up to \$500 per day for a maximum of 10 days to return a vessel to its home marina. For motorcycle return SkyMed will package and transport both road worthy and damaged vehicles to home repair shop.
- 3. Visitor Transportation**
If a member is hospitalized with a critical illness or injury, and they are not air repatriated home, SkyMed will provide round trip transportation on a regularly scheduled flight for a family member or companion to be flown to the hospitalized patient.
- 4. Transportation for Recuperation Nearer Home**
After a member has been hospitalized with a CRITICAL ILLNESS OR INJURY SkyMed will transport the member to a rehab facility near the members transport preference .
- 5. Commercial Carrier Medical Escort Flights**
If a member's condition does not require a private air ambulance, yet the member is not able or permitted to travel as a regular passenger by commercial carrier without an attendant, SkyMed will arrange, and pay for the private care of its member while on a commercial carrier.
- 6. Minor Children / Grandchildren Return**
If as a result of a critical illness or injury, a member's minor children or grandchildren are left stranded, SkyMed will pay for a regularly scheduled airline flight, with an attendant, if necessary, to return them home. Grandchildren under the age of 18 are eligible for all member services when traveling with grandparents.
- 7. Physical Remains Return**
Should an injury or illness result in a member's death, SkyMed will provide for commercial air transportation of a member's remains to their US or Canadian airport nearest their home.
- 8. Escort / Companion Transportation**
SkyMed will arrange for a member's spouse/companion to accompany them in flight on a private air ambulance (space permitting). If space is not available, SkyMed will pay for a commercial flight.
- 9. Return Transportation After Recovery**
After a member has been hospitalized with a CRITICAL ILLNESS OR INJURY SkyMed will transport the member via commercial flight to his/her residence after recovery. The member has sixty (60) days from the hospital release date to implement this service.
- 10. Incidental Expense Allowance**
SkyMed will pay up to \$200 for incidental expenses associated with a member's medical flight.
- 11. Organ Retrieval**
Should a member require a kidney, heart, lung, liver, or pancreas transplant, SkyMed will transport the donor organ to them. Individuals on transplant recipient lists at the time of application are ineligible for SkyMed Membership.
- 12. Organ Recipient Transportation**
When it is more feasible to bring the member recipient to the donor organ, SkyMed will provide air transportation for the recipient and one family member. (A nine months restriction applies to new member eligibility in Organ Transport and this service.) Individuals on transplant recipient lists at the time of application are ineligible for SkyMed Membership.
- 13. Primary Driver Disability**
Primary Driver Disability (PDDO) increases the protection of our traditional vehicle return service. The PDDO provides additional service for drivers who may become incapacitated but have not suffered a critical illness or injury. This service will be of significant value in that circumstance!
- 14. SkyMed Plus (Pet Return)**
Return of stranded pets via commercial carrier. Plus, a 24 hour-a-day multi-lingual help line, translation services, emergency messaging, insurance verification, travel locator service and more to enhance our SkyMed Takes You Home membership services. SkyMed PLUS Travel Services includes commercial coach return tickets for SkyMed members to origin of air evacuation or place of critical illness or injury. Member has sixty (60) days from the hospital release date to implement this service.
- 15. Ground Ambulance**
